

Take into account that  
great love and great  
achievements involve  
great risk.

*... just live your Dream*

When you  
lose,  
don't lose  
the  
lesson.....

.....

Follow the three R's:

- Respect for Self,
- Respect for Others and
- Responsibility for all your  
Actions.

Remember that not getting  
what you want is sometimes  
a wonderful stroke of luck.

Learn the rules so you  
know how to break  
them properly.

A scenic landscape at sunset. The sky is filled with vibrant orange and yellow clouds, with the sun low on the horizon behind a range of jagged mountains. In the foreground, a river flows through a lush green forest of evergreen trees. The overall mood is peaceful and majestic.

Don't let a little dispute injure a  
great relationship.

When you realize you've made a mistake, take immediate steps to correct it.

Rolf Ficker

A serene landscape featuring a calm pond in the foreground, surrounded by lush greenery. A large weeping willow tree with long, drooping branches dominates the right side of the frame. The water in the pond reflects the surrounding trees and the clear blue sky. In the background, more trees and a small white building are visible. The overall scene is peaceful and idyllic.

Spend some time  
alone every day.

Two white tiger cubs are sitting on a concrete ledge. The cub on the left is looking directly at the camera, while the cub on the right is looking slightly to the right. Both cubs have white fur with dark stripes and blue eyes. The background is dark and out of focus, suggesting an outdoor setting at night or in a shaded area.

Open your arms to  
change, but don't  
give up your  
values.

Remember that silence is sometimes the best answer.

Live a good,  
honorable life. Then  
when you get older  
and think back,  
you'll be able to  
enjoy it a second  
time.

A loving atmosphere  
in your home is the  
foundation for your  
life.

A dramatic landscape photograph featuring a dark, stormy sky with large, white, billowing clouds. The foreground is a desert-like environment with various green shrubs and a prominent, dark, spiky cactus. In the distance, there are rolling hills and mountains under a heavy, overcast sky. The overall mood is intense and atmospheric.

In disagreements with  
loved ones, deal only  
with the current  
situation. Don't bring  
up the past.

Share your  
knowledge. It is  
a way to achieve  
immortality.

A dramatic landscape featuring a vibrant green field in the foreground, possibly a meadow or a field of crops, with some white flowers or patches of light. The background is dominated by a massive, dark, and turbulent sky filled with heavy, grey and brown clouds. A bright light source, likely the sun, is breaking through the clouds on the left side, creating a strong lens flare and illuminating the scene. The overall mood is one of awe and the power of nature.

Be gentle with the Earth.

Remember the best relationship is  
one in which your love for each  
other exceeds your need for each  
other.

Judge your success by  
what you had to give  
up in order to get it.

Approach love and  
cooking with  
reckless abandon.

Help only those who really need it.

Don't help those who are always looking for help.....

Helping others is really a good habit but

Always asking for help is certainly NOT.....

Help your friends if they are looking for any thing about
