

COMBINED APPLICATION FORM

(Single Application Form for appearing in 75+ B School's GD-PI/Admission process)

**For 2 Year Full Time Management Programme (2012-2014)
MBA / PGDM / PGP / PGPM / PGDBM**

Concept of Combined Application Form

How can you afford to take Admission for MBA/PG without comparing / applying in
At least 8 to 10 Institutes, where you may get admission?

"It's All about You and Your Career"

"Don't Just Park 2 years, Opt an Institute as per your preferences"

Concept: Concept is simple. You appeared for one or more entrance exam and scored or did not scored well, you **must be getting GD-PI calls** from number of institutes saying lot of things about their institute, few of them are new, some are old. Obviously **you can not take right decision without appearing or applying** for some of the selected institutes (as per your location, academic, budget and other preferences), but **applying for 1 (one) Institute cost you approx 1000 Rupees** and you can't take decision without actually visiting/applying for an institute. Here **Combined Application Form** comes into the picture, if finally admission is to be taken in just one institute **why to pay for just checking** weather institute is suitable for you or not ? Do you actually deserve a seat in an esteemed institute or not? Why to pay if institute does not find you fit for their admission process? Now **all you need to do is** pay for Combined Application Form, **select 10 Institutes out of 75+ Institute, Apply, analyze your result and go ahead for admission.** Save your money and valuable time for collecting information and working out with GD-PI Schedules. Combined Application Form team will inform you about GD-PI schedule as per preferences given by you. Once you are short listed by any institute and you accept their offer to join, then only you need to purchase their application form, in short you do not need to pay for appearing in admission process. Your maximum investment is **500 Rupees** (Application Fees) + (Application fees of Institute where you decide to take FINAL admission).

"A Concept for true value of your Money and Time"
